PERSIA CALA GOSTARAN (PCG) INTRODUCTION;

The key Functions that Affect the Development Process of the Country's Industries & Economy, alongside Planning and Designing, are Speed, Quality and Cost .

Supplying Procurement and Industrial Equipment for Large Projects (Especially PC & EPC Projects) Require Consultation with Highly Experienced Experts within that Field of Operation. As a Result, this Consultation Causes a Lowering of Cost, Increasing Project Speed & quality and Gaining of Access to the Latest Technology for the Clients.

Since 2003, Persia Cala Gostaran CO. (PCG) has been able to Consult and Supply Equipment to over 300 National & International and Private Projects in Oil & GAS, Power Plants, Petrochemical, Dam, Food, Pharmaceutical Industries, Building & Tower Construction, Desalting and Major Industries Upstream Projects.

In Addition to this, Persia Cala Gostaran CO. (PCG) has always sought to attract the most Experienced and Educated Employees in Order to Consistently Increase its Level of Quality furthermore Operational Abilities in order to be of a more Trustworthy Consultant to its Clients. By being on the Approved Vendors List (AVL), Persia Cala Gostaran Co. (PCG) has been able to become Recognized Amongst 100+ Governmental and Public Companies in the field of all Piping Material.

Our Hopes and Efforts Strive towards Maintaining and Growing this Profession that has been Passed down to us in Today's highly Competitive World, alongside Creating Good Conditions for our Partners and Employees.

Memberships in Commercial Communities

- Member of Iran's Chamber of Commerce, Industry and Mining- ICCIMA.
- Member of Tehran's Chamber of Commerce, Industries, Mine and Agriculture
 TCCIM.
- Member of Iran's Suppliers Union of Health & Building Construction.
- Member of Iran Germany Chamber of Commerce.
- Member of Iran Spain & Portugal Chamber of Commerce.
- Member of Iran China Chamber of Commerce.
- Member of National Iranian South Oil Company Approved Supplier- NISOC.
- Member of National Iranian Gas Company Approved Supplier- NIGC.
- Member of the List of Approved Suppliers of 100+ Refineries, Power Plants,
 Petrochemicals Companies (AVL).

Company Name:

Persia Cala Gostaran (PCG) Procurement Engineering Co.

Beginning Date of Industrial /Commercial Activities:

Since 1991. Started as a store in Tehran's industry bazaar (Market)

Date & Place of Official Company Registration:

2003 - Tehran

Main Office Location:

No. 24, Khosro Ally., Nejatollahi St., Tehran - Iran

Germany Office:

Dortmund

United Arab Emirates Office:

Sharjah - UAE

Stores:

38 Sq^{m2} two stores in industrial equipment market of Tehran

Warehouses:

2000 square meter uncovered & covered facility

Showroom:

65 Sq^{m2} in Tehran

Active fields:

Piping Material Distributer of Oil, Gas, Petrochemical, Refinery, Filtration, Power Plant, Desalting Projects, Main Upstream Industrial Production, Smelting, Heavy Industries, Copper and Reinforced Steel, Food & Dairy Industry, Chemical and Pharmaceutical Production, Mining, Energy, Dam Construction Companies, Car Manufacturers, Construction Industry, Industrial Boiler Room Equipment...etc.

COMPANY PROFILE

PERSIA CALA GOSTARAN (PCG) QUALITY POLICY;

Persia Cala Gostaran Co. (PCG) Presents its Services in the Fields of Procurement Supply& Provide, Technical Consulting to Choose Equipment, Purchase & Sales of Piping Material such as Pipes, Tubes, Fittings, Flanges, all kind of Valves, Electrical & Explosion-Proof, fixed & Rotary Devices, Alarm& Fire Detecting Tools& Systems, alongside Industrial Lighting in the Fields of Oil, Gas, Petrochemical, Filtration Facility, Heavy Industries such as Power Plants, Refinery, Petrochemical, Food & Pharmaceuticals, Dam and etc.

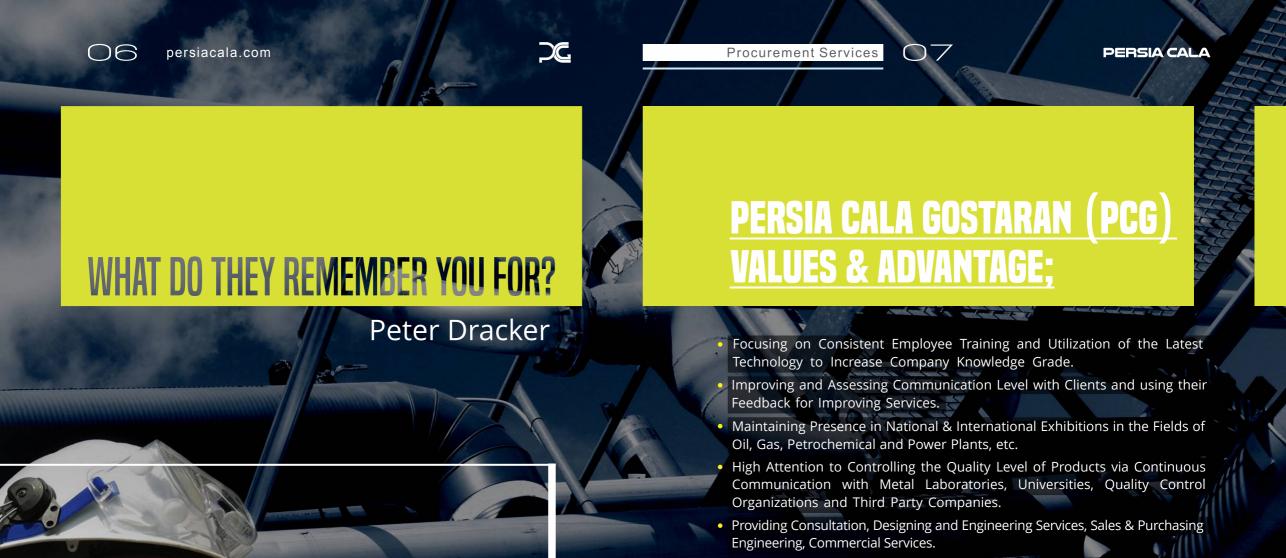

The Main Clients of PCG mostly consist of Ministries, Major Government and Private Organizations and EPC & PC Contracting Companies. By providing our Clients with Reasonable End-Prices and High Quality Levels which are up on a par with International Standards, We Feel that our Goal to fulfill our Clients' needs and Expectations and to Give Back to our Country is Achieved.

Furthermore Living by these Goals has made our Reputation Name and Brand well-known in the Industry and Trusted among our new Clients. We believe the Following Points are our Responsibilities to Maintain and Fulfill in Business:

- To Provide Clients with Products which are of high National & International Standards.
- To Fulfill the Contracts and to Provide Adequate Purchasing Consultation in Time.
- To Utilize State of the art Procedure, Equipment, Technology and Information in order to constantly improve Products and Services.
- To Provide Internal & External Training Programs to Increase Staff Knowledge and Ability.
- To Closely Follow the National & International Safety Regulations and HSE Principles.
- To Decrease and try if Possible, Eliminate Safety, Hygienic and Environmental Hazards.
- To Economize the Operational Costs by Efficiently Utilizing our Potentials Toward to Gain Customer Satisfaction.
- To Provide the Lower Possible Final Cost for Clients.
- To Constantly improve our Communication Grade with Clients and using their Feedback for Improving our Services.

Persia Cala Gostaran Co.(PCG) has been able to establish a Management System of Guaranteeing Quality at the Level of ISO 9001 and ISO TS 29001 in their Products & Services as well as Internal Processes such as Safety Protocols, Health, Safety and Environment (HSE). This is done by Consistent Auditing and Reporting of the Company Situation.

It is the Responsibility of Top Management to ensure the Proper Implementation of the Former Regulations and Audit Systems, down through to other Managers, Supervisors and Employees. It is the Responsibility of Supervisors to Collect and Provide the Audit Results and Feedback to Top Management in order for System Strategy an Implementation to be reassessed.

Familiarization with Domestic & Foreign Markets through the Development of

Following and Producing Scientific Articles in Conferences and Seminars.
 Having Control in after Sales Services, Distribution and Warehousing Facilities

• Focusing on Quality Control Management and Workplace Safety, Hygiene &

and their related Software & Hardware Tools & Devices.

Communication Channels.

Environment.

OIL, GAS & PETROCHEMICAL INDUSTRIES:

National oil and Gas Companies along with all Relative Subordinate Organizations such as NIOC, NISOC, ICOFC, IOOC, IOTCO, NIDC, NIOEC, PEDEC, NIGC, NIORDC IOPTC, NIGCENG, EPC & PC Contractor Companies in the fields of Oil, Gas, Desalting Petrochemical Complex, Refinery & Mini Refineries, Mechanical, Instruments and Industrial Equipment.

MAIN PRODUCTION INDUSTRIES:

Reinforced Steel, Copper, Smelting manufacturing Process, Production and upstream Industries.

POWER PLANT INDUSTRIES:

Combined Cycle, Gas, Steam, Diesel, Solar, Wind, Geothermal, Hydroelectricity and Storage Pump Power Plants, Provincial and Regional Local Electric Facilities.

CAR MANUFACTURERS:

Automobile Manufacturing Systems, Agricultural Machinery.

INDUSTRIAL FACILITIES:

Urban & Suburban Railway, Paper & Cellulose Plumbing, Cement Manufacturers, Non-Flammable Products, Leather & Textiles Industry.

CIVIL & CONSTRUCTION INDUSTRIES:

Building & Tower, Industrial park, City & Amusement Park, Shopping Facility, City Fountain, Hospital Construction.

PHARMACEUTICAL AND CHEMICAL INDUSTRIES:

Beauty, Hygiene & Sanitary Production Line, Pharmaceutical Factories and Paint & Resin production lines.

FOOD INDUSTRIES:

Food & Dairy, Sugar & Sugarcane, Food & Juice Production Transfer and Packing Systems, Gardening & Farm Industry.

PROCUREMENT:

Technical Analysis of Product Descriptions, Standard Conformity, Technical Offer Evaluation, Assessment of Payment Options, and Supervision& Control in all Steps of the Purchasing Process, Analysis of Market Information and Forming Time Plan Schedule of Action, Creation of a Supplier & Costumer Database and Technical & Commercial Communication and Dealing.

CONSULTANT:

Consultation and Presentation of General Information of Iran's Market (Import, Export, Business, Laws...etc.), Consultation Regarding Domestic and Foreign Purchases, Long-Term Marketing Strategy Design, Selection of Effective Payment Options, Handling Product Purchasing Paperwork & Contracts, Supply Chain Management, Familiarization with International Business Laws, Incoterms & Clauses and Assistance to Preparation by Credit Analyses in Financial. Commercial & Technical Documents, Manufacture Purchase Order and Business Agreement Contracts.

INSPECTION:

Comprised of Regulatory & Control Activities
Pertaining to the Quality and Quantity of Material
Production in Accordance to International Quality
Control Standards, Control and Inspection of all
Manufacturing Process Steps and Ensuring Compliance of
Production Rules & Regulations, MTC Conformity, Inspection
of Final Product via Visual Check, Document Review, Witness,
Dimension Check and Arrangement of Final Technical Booklet.

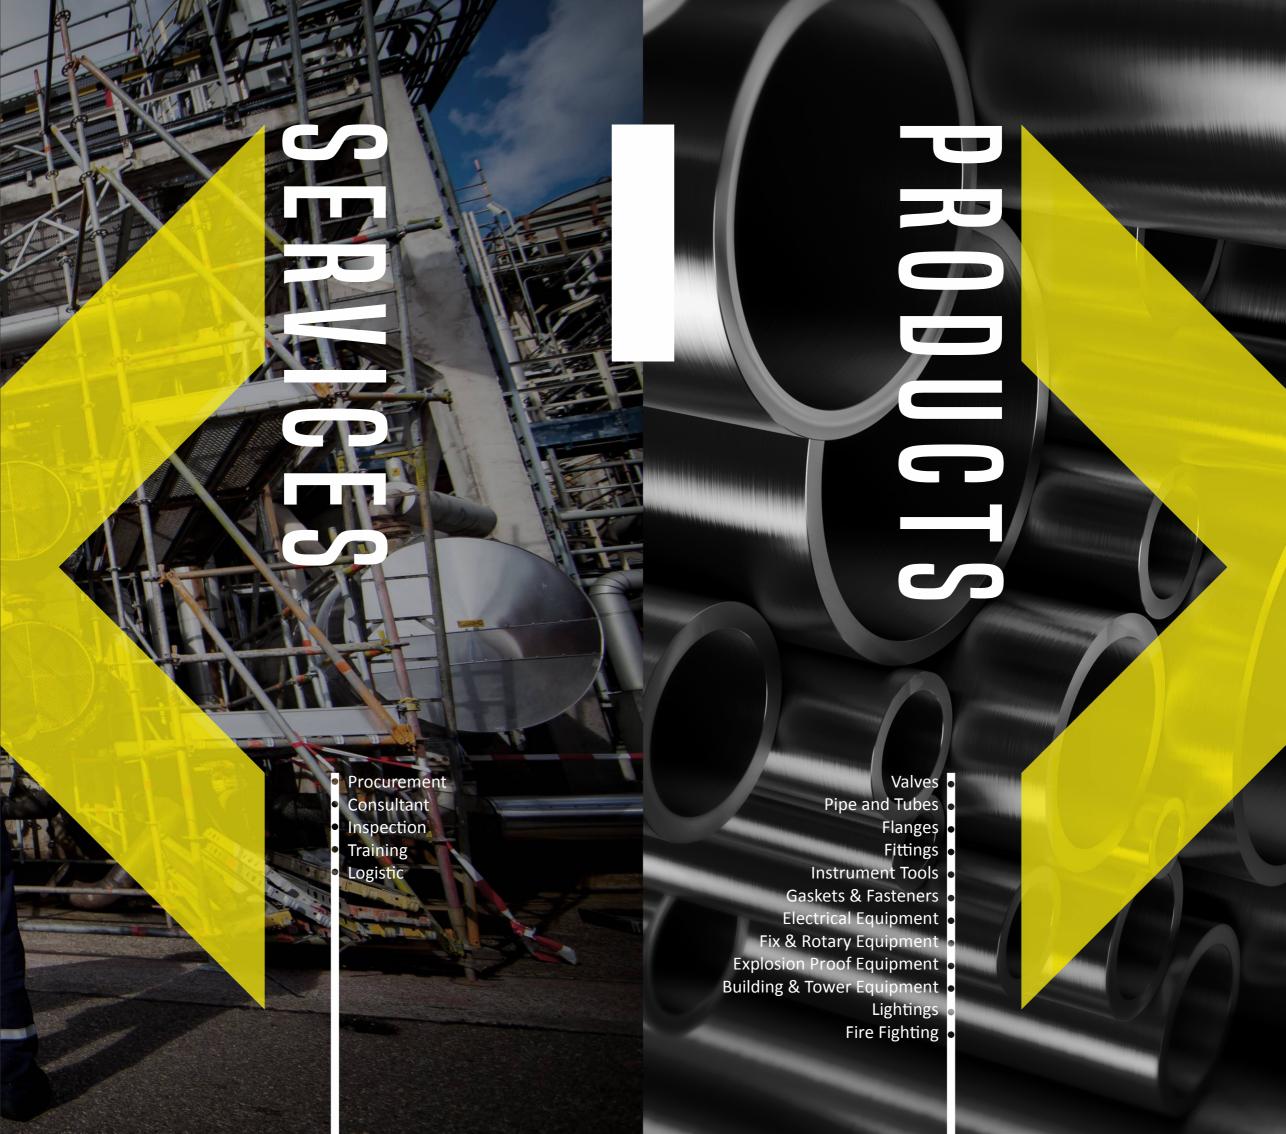

TRAINING:

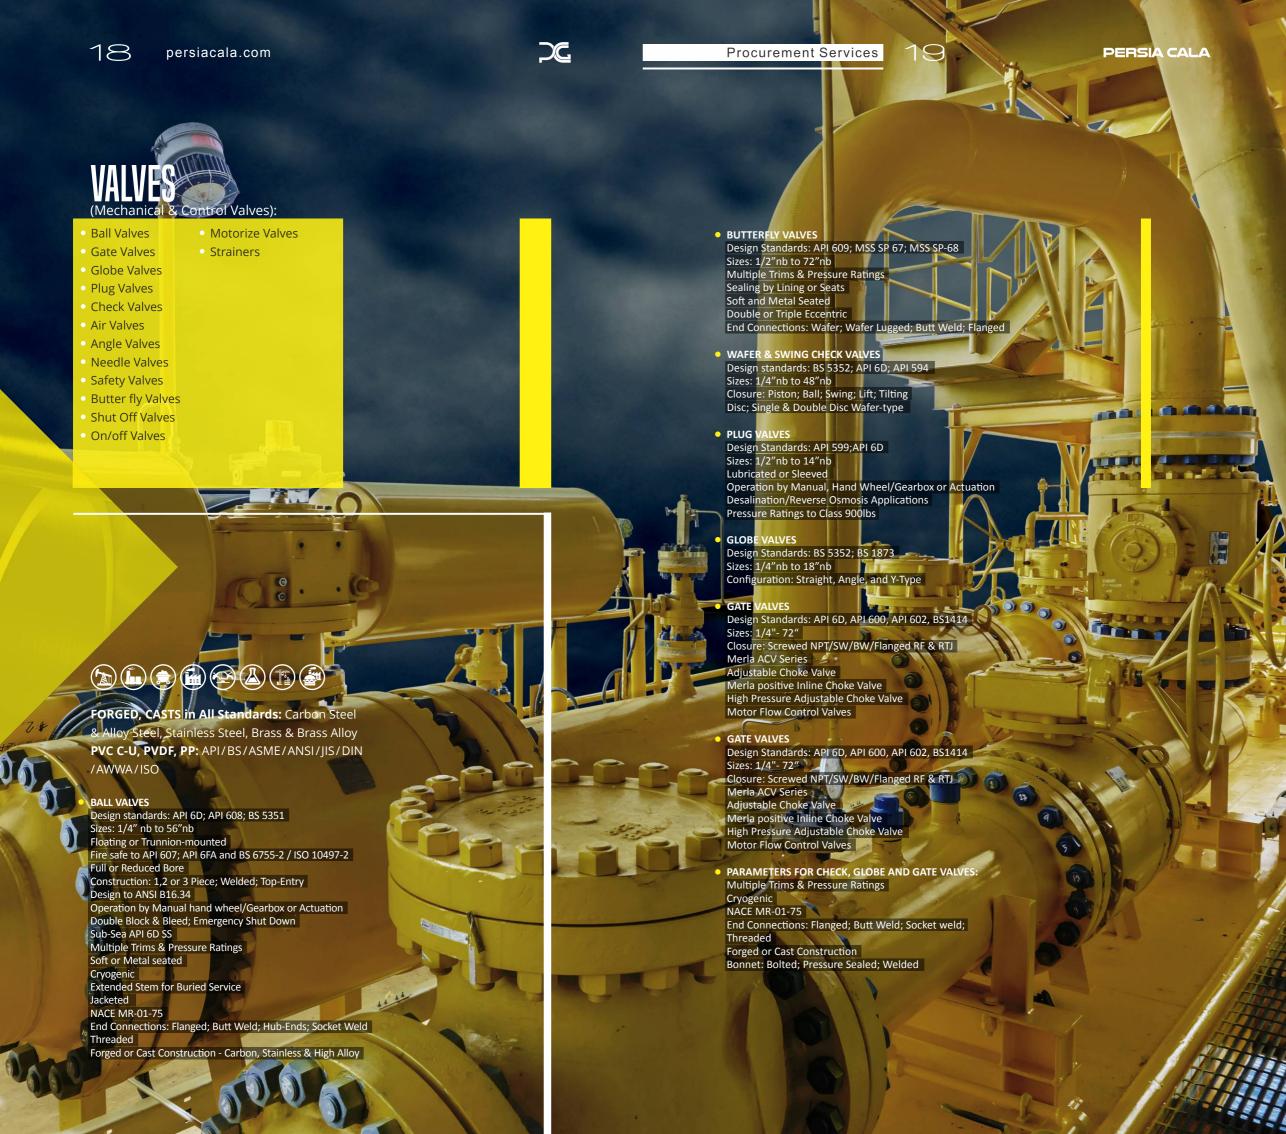

Revision of Internal and External Training Programs, Focus on Consistent Employee Training, Emphasis on Managerial Training via European and East-Asian Manufacturing Facilities, Participating in National and International Training Courses, Presence in Seminars & Conferences, Visiting International Exhibitions.

LOGISTIC:

Consultation for Registration and Ordering, Contract Credibility Assessment, Selection best of Insurance & Shipment Rules by Linked to latest edition of Incoterm, Lease of Shipment Containers on European, East-Asian and Middle East, Arranging Shipment from Everywhere to Iran, Stripping & Loading Containers, Clearance, Warehousing & Storage & Placement of Goods.

Procurement Services

PIPE & TUBES (C.S, S. Steel, Al-Brass, HDPE, Alloys, etc)

- Seamless And Welded Pipes
- Stainless & Carbon Steel & Alloy Steel & Copper & Brass Alloy
- Full Range, All Sizes & Specifications

CS Seamless tubular, size OD 1/2" to 24", with Wall Thickness up to Sch XXS/ Sch 160 Specification: API 5L Gr B, X Grades, ASTM A53/A106/A333

- Alloy Seamless Pipes from OD 2" to 26" Specification: A335 GR P1/P5/P9/P11/P22/P91/P92
- Tubing with OD 25.4mm up to OD 141.3 with W.T. Max up to 15mm Specification: A179
- CS HF–ERW Pipes from OD 2" TO 26" with Wall thickness up to 18mm Specification: API 5L (45th EDITION) PSL 1 & PSL2, GR B / A53
- HSAW-from OD 16" TO 120", Max WT up to 25.4 MM Specification: API 5L (45th EDITION) PSL 1 & PSL2, GR B / X42 UPTO X100
- LSAW-From OD 16" to 275" with Wall Thickness up to 130mm. Specification: API 5L (45th EDITION) PSL 1 & PSL2, GR B / X42 UPTO X100 API 5L X52 PSL2/2H-50, A671 / A672 (ALL CLASSES), A691 (Mo – Alloy / Cr – Mo Alloy / Ni- Alloy / Mo-Ni Alloy)
- Stainless Steel (300 Series), Duplex, Super Duplex Stainless Steel, Nickel Alloy and Metallurgic ally clad pipes from OD 3" to 80" (welded) with W.T up to 63mm (with one or two longitudinal seam / multiple circular welds)
- Seamless Stainless pipes from OD 1/8" to 16" with W.T up to SCH XXS and up to 24" OD in SCH 10S, SCH 20S, SCH 40S.

 Specifications: A312 /A358 CLS 1,2,3,4,5/ASTM A790/ASTM A928 CLS 1,2,3,4,5
- /ASTM 775/904L
- Tubing with OD 25.4MM up to OD 141.3 with W.T max up to 4.6 MM. Specification: A213 / A269

CS Welded pipes up to 48" And CS Seamless pipes up to 24" are available ex-stock in our facilities

FLANGES

FORGED CARBON STEEL A105, A105N A350 LF2 (Class 1 & 2), LF3, LF6 A694 Fxx

FORGED STAINLESS STEEL F304/304L, F316/316L F304H, F316H F321, F310, F44

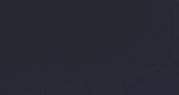

DUPLEX

Pipe I.D 1/2" ~ 60"

- ASTM B16.9 & MSS SP 75 Carbon Steel ASTM A 234 WPB; WPHY 42; 46; 52; 56; 60; 65; 70
- Alloy Steel
 ASTM A 234 WP 1; 5; 9; 11; 22; 91
- Stainless Steel

 ASTM A 403 WP 304; 304H; 304L; 316; 316H; 316L; 321; 321H; 310S; 317

 317L; 347
- Sizes
 Up to 60"nb
- Wall Thicknesses
 Full range within ASME B36.10M
- Subsea Forged Fittings & Connectors
 Flanges Anchor; Compact; Swivel; Hanger; Misalignment
 Clamp-type Hub Connectors
 Pig gable Wyes

Barred Tees
Buckle Arrestors
1-Lay Collars

ELBOW 90° SMLS

CONC REDUCER
ASTM A403 WPS 316L

Precision pressure gauges
Tube manometers
Pressure generators
Portable pressure calibrators
Portable calibrating systems
Dead-weight tester
Dry block portable calibrators
Portable / Non portable temperature bathes

Reference temperature probes

GASKETS & FASTENERS

- FLAT GASKETS
- JACKETED GASKETS
- SPIRAL WOUND GASKETS
